## **COVID-19 RESIDENT VACCINATION DATES**

Dear Residents and Families:

We have been informed by the WRHA that the dates for the first dose of COVID-19 vaccinations for Residents are **Tuesday, January 26 for Pembina Place** and **Tuesday, February 2<sup>nd</sup> for Bethania.**

Our Health Care leadership team are in the process of speaking with Residents or calling their substitute decision makers, to request their informed consent for the vaccination and to answer any questions.

We strongly encourage that all Residents be vaccinated to prevent the spread of COVID-19 in our Personal Care Homes and to protect their health and wellbeing.

If you have any questions on the above, please email Doris Furtado, Director of Care, [Doris.Furtado@bethania.ca](mailto:Doris.Furtado@bethania.ca)

Please keep our Residents and Staff in your prayers.

Sincerely,  
Gary J. Ledoux, CEO, Bethania Group
