Bethania & Pembina Place Mennonite Personal Care Home's Resident Room Furniture Gift Campaign

A major need at Bethania and Pembina Place Mennonite Personal Care Home's is upgrading the Resident room furniture. By purchasing new furnishing to upgrade the room furniture for your loved one, you will also be making a ***“legacy gift”***, which will be enjoyed by future residents for years to come.

The attached furniture guide indicates the type of furniture available to purchase. The cost of the furniture pieces may seem a bit higher than other retail prices however; this furniture meets the highest quality of required standards for fabrics and finishes that have antimicrobial protection, health care grade vinyl fabrics, and frames/bracketing for enhanced structural integrity. Furnishings such as the nightstands and dressers are also built for sustainability with surfaces that are solid, smooth and made of laminate.

We hope you will consider supporting this campaign as part of our overall plan to improve the comfort and ambience of our home.

A tax donation receipt will be provided for the total cost of your purchase.

If you wish to see one of the furniture pieces, place an order, or have any questions, please contact Kim McMillan, Senior Administrative & Fundraising Coordinator at 204-654-5051, or email kimberly.mcmillan@bethania.ca.

Sincerely,
