## **BETHANIA MPCH In Room Visit Update**

Dear Residents and Families:

After a lengthy search, I am very pleased to announce that we have hired additional screening staff to allow us to open in room visits on Saturdays and Sundays at Bethania for the designated family caregivers. Weekend visits will begin on **Sunday, April 18, 2021.**

The new hours of operation will be Monday to Sunday from 10:00 am to 6:00 pm.

Please note that on Saturday and Sunday, access for visitors will be closed from 12:00 pm to 12:30 pm and 3:00 pm to 3:30 pm, as we have no office staff on the weekends to cover for the screeners' breaks.

Also, Designated Family Caregivers can now take their resident outside to our outdoor park area during their in room visits (weather permitting). Families must wear masks and keep socially distanced from other families and residents while outside. If tolerated, residents should wear masks as well. Please ensure you use the marked path through the Chapel to the outdoor park area exit.

Please share this update with the other Designated Family Caregiver for your resident.

Finally, we encourage you as always to get a COVID vaccination when you become eligible. Please stay safe, and stay well.

Sincerely,

Gary J. Ledoux  
CEO, The Bethania Group
